Speaking Topics

1. The Science of an Optimal First Impression

First impressions matter. You only get one chance. When we are authentic, present, and prepared we make an optimal first impression. There is a science to first impression management. You can master your presence for greater success.

2. The Anatomy of a Successful Connection

Sharpen your connecting skills and you will experience more success! All success comes through a connection. We will analyze each component of your connecting skills to identify your blind spots and make adjustments. You will experience how you can connect more effectively for even greater success.

3. How to Drive Yourself Sane - Take Charge of Your Mind and Live a Happy Life

If you do not take charge of your mind, your mind will take charge of you. Our minds are the most magnificent gift we have ever been given. Sometimes we have no idea how to use our mental faculties to steer us in the direction of fulfillment and happiness. You will receive simple, duplicatable strategies to help you think clearly and navigate your way to happiness.

Executive Coaching

- **Navigational Coaching**

Do you want to stay on track to reach the goals that YOU say you want? I am your Navigator.

I work with enthusiastic, high functioning, action-oriented leaders who desire accountability, guidance and direction. I use my education, life experience, strong spiritual foundation, and intuitive gifts to keep you on your path to true happiness and success. If you are looking for accountability and direction to manifest the life you love then Navigational Coaching is for you.

- **Product Creation Coaching**

if you desire to create streams of income and make an impact using your Intellectual property, then this Coaching program is for you. You may want to write a book, create workshops, or learn to be a speaker. You may even want to create your own Coaching program. If you are ready to monetize your IP, then Product Creation Coaching is for you.

- **The Select Business Mastermind**
